The Watumull Institute of Electronic Engineering and Computer Technology was established in 1981. Formerly running Bsc. Tech course, it switched over to B.E. Degree course in 2002. It is recognized by AICTE and affiliated to University of Mumbai. The Institute offers B.E. degree in the fields of Computer Engg, Electronics and Telecommunication Engg, Biomedical and Instrumentation Engg.

It is managed by HSNC Board, the biggest educational corpus having 18 colleges, 10 schools and more than 40,000 students.

It is situated adjacent to Worli Seaface, a beautiful location of Mumbai. It is one of the reputed technical colleges in Mumbai and has celebrated its silver jubilee in 2006.

Institute’s goal is to make significant contribution to the rapidly changing fields of modern technology through education, research and professional services. The Institute has student chapters of professional bodies such as IEEE, ISA, EMBS, CSI, IEEE-CS and IETE.

The Biomedical Department lays stress on latest developments & technologies in the field of Biomedical Engineering keeping abreast with new trends. The effort is to impart knowledge on latest technologies by academicians and Industry experts.

- **OBJECTIVES OF COURSE:**
  - To get an exposure to the recent trends in various application areas of biomedical engineering like Biomaterial, Biomedical Instrumentation, Medical Imaging, PACS, DICOM, Image Processing, VLSI, Nuclear Medicine, Nanotechnology etc
  - To build a rapport between biomedical faculty and industry so that further advancement in biomedical field can be explored.

- **FACULTY**
  Experts from IIT, BARC, and from industries like Siemens, Philips etc as well as from hospitals like Jaslok, Jupiter etc

- **COURSE CONTENT:**
  - Biomedical Instrumentation
  - Medical Imaging
  - Nuclear Medicine
  - Nanotechnology
  - Digital Signal Processing
  - Image Processing
  - VLSI
  - PACS & DICOM etc

**Short Term Training Programme**
